

A man with short dark hair and a goatee, wearing a black t-shirt, blue jeans, and black sneakers with white laces, is sitting on wide stone steps. He is holding a large, torn piece of cardboard in front of him. The cardboard has the text "Got \$3,400?" written on it in large, bold, black, hand-painted letters. The background shows more stone steps and a wall with decorative columns.

Got \$3,400?

Get a DUI and you'll face financial, personal and criminal consequences every day. Delaware is cracking down on impaired drivers with weekly DUI checkpoints and patrols.

YOU CAN'T HIDE.

One DUI changes everything: your savings, your reputation and your future. Delaware is cracking down on impaired drivers with weekly DUI checkpoints and patrols from now through December. Make the smart choice or face severe consequences. With your very first one, you'll:

- Lose your driver's license for 3 months to 1 year
- Pay an average of \$3,400 in fines, court costs and attorney fees
- Get an instant criminal record for life
- Attend 8 weeks of mandatory DUI treatment classes with drug testing (\$300 – \$700 cost to you)
- Get an Ignition Interlock device if applicable (\$480 cost to you)
- Pay significantly higher auto insurance premiums
